

DIGITAL COLLAGES

ORDERING & PRICE GUIDE

Commemorative Digital Collages from your favorite photographs.

Your choice of: black & white, sepia, or color.
Artwork size is 16"x20" or 18"x24" unframed.

There are 2 types of Digital Collages: **Blended Collages** and **Shape Collages**.

- A blended collage is one in which backgrounds gently fade into each other, allowing the people in your photos to blend together. Blended collages are beautifully unique, and best if your pictures don't include important backgrounds or landmarks.

- A shape collage features your photos in individual frames or shapes all arranged together in a designed layout. This design is perfect for showcasing photos with special backgrounds or headshots of people. This style appeals to those who appreciate an organized and structured piece of art.

Collage prices:

\$99 Collage (6-15 photos) 1 Normal Print (16"x20") unframed

\$150 Collage (16-30 photos) 1 Normal Print (18"x24") unframed

Please allow 2 to 3 weeks for completion.

How to Order Continued:

1.) Also let me know:

D.) If you have any special instructions.

E.) Which photo is your 'center' photo. A large center photo provides a focal point that the eye is drawn to, especially from across a room. Without this focal point, the collage often appears cluttered.

F.) If you have a preference for the arrangement, or placement of any of the other photos

G.) If you have a preference for the orientation (portrait or landscape) for your collage. (I will give you my recommendation after I see all your photos.)

H.) And if you would like any text on your collage (3-7 words)

*Hard Copy Photographs: you may mail me your photographs (preferably in an 8"x10" or 9"x12" envelope) inserted between hard cardboard to prevent bending while in transit. Make sure to attach any special instructions regarding cropping, removing of people/objects, retouching blemishes and your choice(s) for the center photo. I also need the following information - NAME, SHIPPING ADDRESS, E-MAIL ADDRESS, PHONE NUMBER, SIZE OF COLLAGE, NUMBER OF PHOTOS, and ORIENTATION (portrait or landscape). Please use a shipping service that provides tracking to minimize the chance of your photographs being lost in transit. Message or email me first, and I will give you my mailing address.

First Draft Proposal

- 2.) After you've sent your photos, I will send you a first draft proposal to approve which will include the following:
- A listing of the type of collage, size, estimated time, number of photos, your center choice photo, and any special instructions you requested along with the final price.

Confirmation or Adjustments

- 3.) You can approve of the first draft proposal or make any adjustments to the proposal you'd like.

Deposit
